

City of Alexandria, Virginia
Sheriff's Office

MEMORANDUM

DATE: SEPTEMBER 18, 2015

TO: DANA LAWHORNE, SHERIFF, CITY OF ALEXANDRIA

FROM: CANDRA L. CALLICOTT, ACTING CAPTAIN, FACILITY SERVICES

SUBJECT: QUALITY OF LIFE STATISTICS FOR JUNE, JULY, AUGUST, 2015

During the months of June, July, and August the Inmate Work Detail Program performed community service projects, which included trash collection in various areas of the city. The crews also provided assistance to other city agencies and responded to specific requests. Those projects are included in this report as well. Normally, there are two work detail crews with up to four or five participants per crew and that number can fluctuate throughout the months due to limited qualified participants. During this reporting period, there was an average of 6 inmates participating on the program.

LITTER PATROL:

- Public Safety Center– 1 visits - 1 bags of litter
- Lynhaven Area – 2 visit- 8 bags of litter
- Holmes Run and Telegraph Corner Interchange- 1 visit- 6 bags of litter.
- Brenman Park- 1 visit- 5 bags of litter
- Breckenridge Cemetery- visit- bags of litter
- Four Mile Trail- 1 visit- 4 bags of litter
- Humes Springs- 2 visit- 9 bags of litter

Department Updates

Resource Recovery

- Resource Recovery received a \$10,000 grant from the EPA to fund a six-month Multi-Family Composting Pilot; the began in August at Condominiums Located on North Fayette Street.
- Fall leaf collection begins October 26th and includes weekly collection of bagged leaves as well as 3 vacuum passes Citywide.

Public Works

- In FY 2016 City Council increased the City's paving budget by 25% to \$5,600,000. In addition the City received a VDOT primary extension grant in the amount of \$960,000. This money will be used to pave sections of Duke Street, North and South Van Dorn Street as well as allow for additional paving and related sidewalk improvements to be completed this fiscal year.
- Preparations underway for winter weather response- addition of AVL vehicle tracking will allow for more efficient response.

Traffic Operations

- Traffic Operations has been working to replace LED signals throughout the City. By the end of 2015, 85% of traffic signals in the City will have LED technology.
